MAKING YOUR **LOTUS UNIQUE** TO YOU IS PART OF THE FUN.

A Lotus is a car that lends itself to all sorts of degrees of personalisation, so if you want to create a car that's even more individually and exclusively yours, this brochure is here to help you.

We hope you'll agree it highlights just how easy it is to make your Lotus even more special and unique.

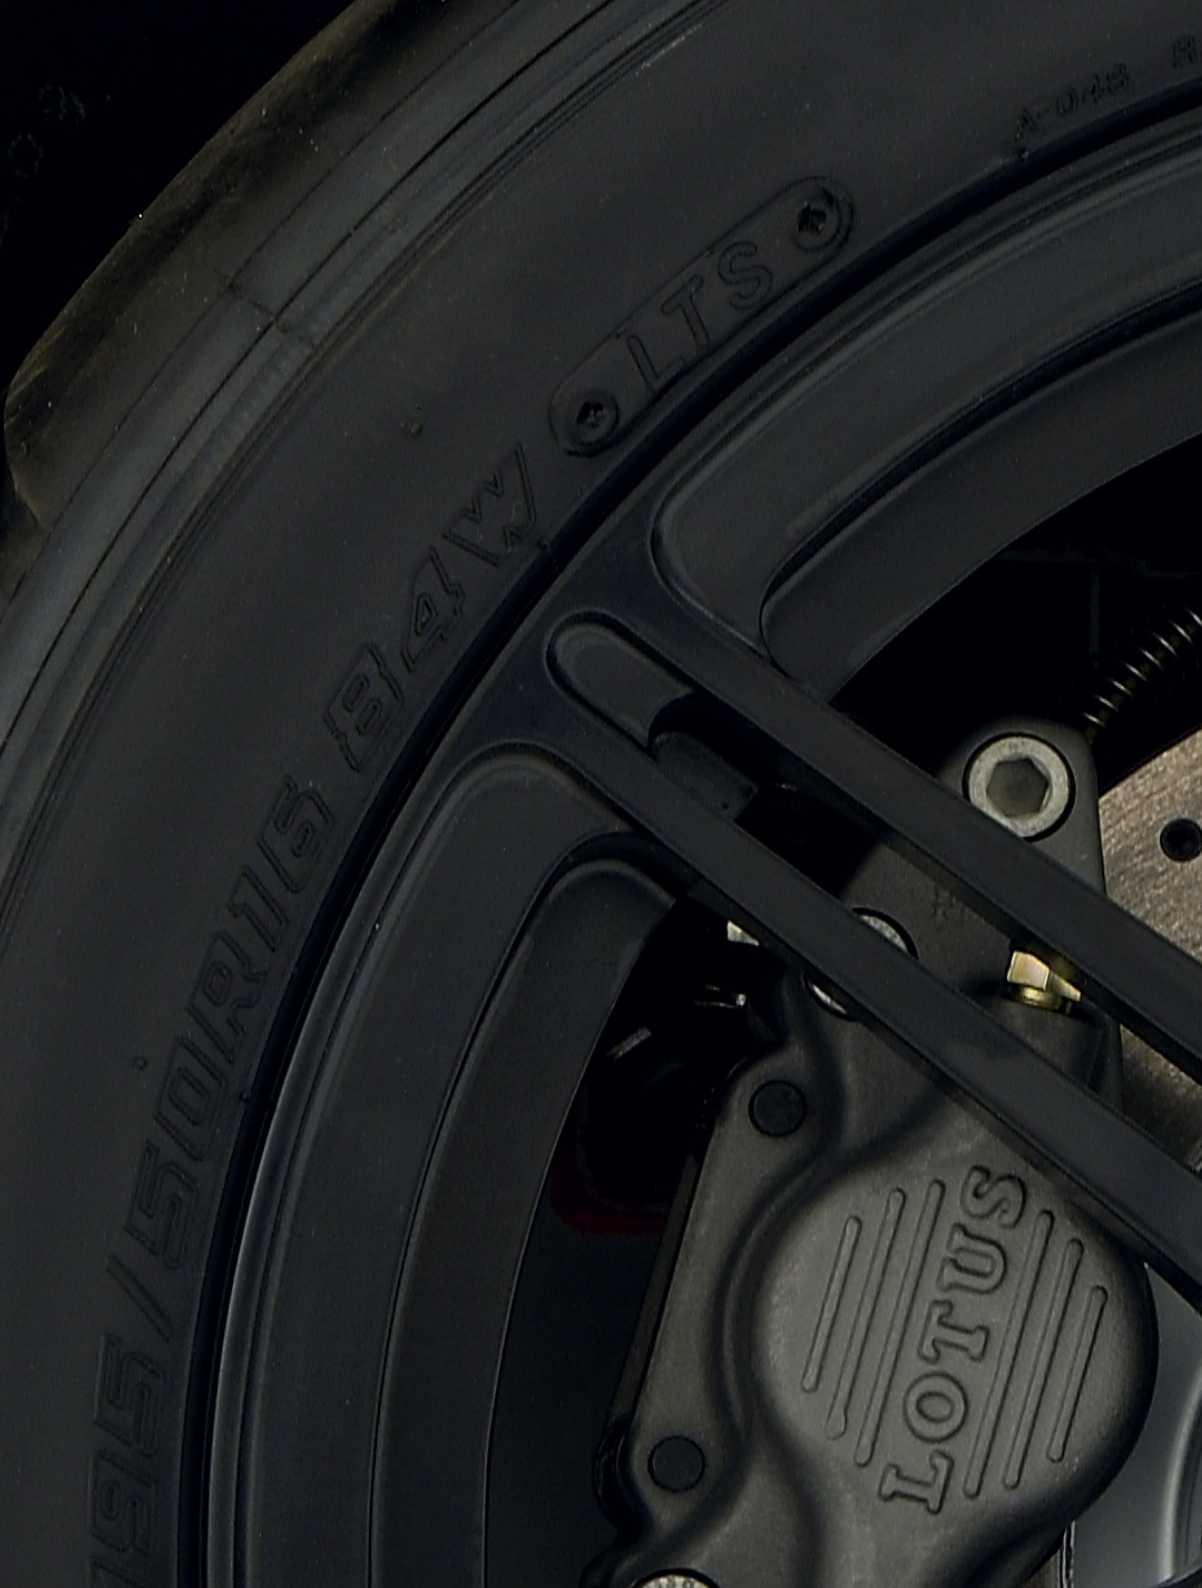

Please enjoy the challenge!

Please note:

The content of this brochure is for illustrative purposes only. Actual colour and specification may vary from that shown. Lotus Cars reserves the right to discontinue items or change prices and specifications without prior notice.

If an item in this catalogue is marked for **TRACK ONLY** this equipment is intended for use on private property racing tracks only and is not suitable for use on public roads. The fitting of **TRACK ONLY** equipment may invalidate your warranty. The use of the equipment on public roads may constitute a criminal offence. Accordingly, the purchaser of the equipment and all persons who may use the equipment must ensure that the equipment is not used on any public road. Lotus Cars Limited cannot and does not accept any liability arising directly out of the use of the equipment other than in respect of death or personal injury caused by its negligence. The purchaser's statutory rights when dealing as a consumer are not affected.
